Proposed Amendment to Speed Limit Bylaw

Presenter: Roger McLeay – Senior Transportation Project Engineer - GHD
The areas under review in this presentation include:

• Himatangi Beach

• Awahuri-Feilding Road from SH3 to Feilding

• Kawakawa Road
Himatangi Beach Recommendations

Undertake consultation to introduce a new:

• 30 km/h speed limit along Himatangi Beach from 720 metres north of the stream at Himatangi Beach to 800 metres south of the same stream

• 60 km/h speed limit along Himatangi Beach from 800 metres south of the stream at Himatangi Beach to the Horowhenua District Boundary with Manawatu District, some 2,420 metres south of the stream at Himatangi Beach
Awahuri-Feilding Road Recommendation

Undertake consultation to introduce a new 80km/h speed limit along:

- Awahuri-Feilding Road from 75 metres east of the SH3 intersection at Awahuri to 380 metres south of Pirino Street in Feilding
- Stewart Road from its junction with Awahuri-Feilding Road to 375 metres west of its junction with Awahuri-Feilding Road
- Boness Road along its full length
Kawakawa Road Recommendations

Undertake consultation to:

• Retain existing 50 km/h speed limit on Kawakawa Road from its junction with South Street to 180 metres south of South Street

• Shorten existing 70 km/h speed limit on Kawakawa Road so it covers the section of Kawakawa Road from 180 metres south of South Street to 720 metres south/west of Darragh Road

• Introduce a new 80 km/h speed limit along Kawakawa Road from 720 metres south/west of Darragh Road to Awahuri-Feilding Road
