2 Background

2.1 The Manawatu Pottery Society Inc has been based at the Feilding Railway Station for approximately 10 years.

2.2 The owner of the premises, Kiwi Rail, has signalled to the Society that the rental on the property will be increasing to current market rentals which has resulted in their rent tripling making it financially unviable for the Society to remain.

2.3 The old Cricket Pavilion at Kowhai Park has been offered to the Society to relocate into. There is however a significant cost to the Society to relocate some of their equipment which would need to be undertaken by qualified tradespeople.

3 Discussion and Options considered

3.1 The Society sees the relocation of their studio to Kowhai Park as an opportunity for engaging further with the community as although visitors and new members have always been welcomed, the large windows in the pavilion will enable the public to actually watch potters at work and possibly will encourage interest and participation at events held in the studio.

3.2 Although the Society has submitted a Partnership Fund Application, this project fits under the Community Development Funding Policy.

4 Operational Implications

4.1 There are no capital/operating expenditure implications or maintenance costs associated with this paper.

5 Financial implications

5.1 The amount of funding requested is $2,500.00.

5.2 The amount of funding available from the Community Development Fund for 2016/17 is $97,923.00.
6 Statutory Requirements
6.1 There are no statutory requirements relating to this paper.

7 Delegations
7.1 The Community Funding Subcommittee has delegated authority to approve up to $10,000 for Community Development Fund applications.

8 Consultation
8.1 There is no consultation required in relation to this paper.

9 Cultural Considerations
9.1 There are no cultural considerations to be taken into account for this paper.

10 Conclusion
10.1 The applicant has been able to demonstrate that their project meets the criteria and guidelines contained within the Community Development Funding policy.
10.2 Representatives from the Manawatu Pottery Society Inc will be in attendance to speak further to their application.
