2 Background

2.1 Council has traditionally funded Feilding & District Promotion Incorporated (FDP) by way of a lump sum of funds that were applied to the provision of a range of events and services as per a Service Agreement with defined Key Performance Indicators.

2.2 Council had previously funded FDP a lump sum of $177,000 towards the provision of local events, regional event support, publicity and promotion, business liaison and support, business networking and events and volunteer coordination.

2.3 Following the establishment of a single Central Economic Development Agency (CEDA), Council considered how it would fund local economic development services. Council had agreed to transfer $100,000 per annum of existing funding used to purchase events and other local economic development services to the Community Development Fund for events and local economic development services that meet the criteria of Community Development Funding Policy.

2.4 Council had also agreed to transfer $77,000 per annum of existing funding into the internal Economic Development Opportunity and Collaboration budget to be used on any opportunities, shared projects, local services and or further support for the Central Economic Development Agency.

3 Discussion and Options considered

3.1 FDP has recently undertaken fundamental changes to its legal structure and its governance.

3.2 FDP is approaching its funding relationships in an entirely different manner and with substantially increased focus on accountability.

3.3 FDP has submitted a proposal for continuing to deliver a range of services and events to the community previously provided.

3.4 Included with FDP’s Partnership Funding Application is a summary of their projected areas of operation for the period 1 July 2016 to 30 June 2017 with attendant costings for each area of operation.
4  Operational Implications

4.1 There are no capital/operating expenditure implications or maintenance costs associated with this paper.

5.2 The amount of funding available from the Community Development Fund for 2016/17 is $226,408 of which $94,000 is currently committed through existing Partnership Agreements. There are also two previously approved partnership applications where the level of funding is still yet to be determined (subject of a separate report).

6  Statutory Requirements

6.1 There are no statutory requirements relating to this paper.

**Background**

2.1 Council had agreed to enter into a partnership agreement for three years with the Palmerston North Surf Lifesaving Club.

2.2 An amount of $5,000 per annum for three years had initially been approved but at the request of the Surf Club, this amount was increased to $15,000 for 2015/16 to allow the Club to be in a position of being able to provide a regional lifeguard service at Himatangi Beach for the current financial year. At the time of agreeing to the increase, it had been agreed that the following two years’ funding would be confirmed once the Palmerston North City Council had confirmed its annual allocation.

2.3 The Palmerston North City Council has now confirmed its level of funding for the Palmerston North Surf Lifesaving Club and has entered into a three year partnership agreement with the Club with the level of funding at $10,000 per annum for the next three years.

2.4 It costs $20,000 per annum to provide a regional lifeguard service at Himatangi Beach.

2.5 The Community Funding Subcommittee at its previous meeting on 17 May 2016 had agreed that it wished to enter into a partnership agreement with Te Manawa Family Services Charitable Trust to continue to provide Anti-Bullying Projects within the community. It however did not make a decision on the level of funding and agreed to consider this once it was known the amount of funding available for 2016/17 from the Community Development Fund budget. This amount has now been confirmed.

**Discussion and Options considered**

3.1 The Community Funding Subcommittee is now being asked to consider the level of funding it wishes to allocate as part of separate partnership agreements with the Palmerston North Surf Lifesaving Club and Te Manawa Family Services Charitable Trust for the 2016/17 and 2017/18 financial years.

**Operational Implications**

4.1 There are no capital/operating expenditure implications or maintenance costs associated with this paper.
5  Financial implications

5.1 The amount of funding requested is $10,000 per annum for the Palmerston North Surf Lifesaving Club and $40,000.00 per annum for Te Manawa Family Services Charitable Trust.

5.2 The amount of funding available from the Community Development Fund for 2016/17 is $226,408 of which $94,000 is currently committed through existing Partnership Agreements. This leaves a total of $132,408.
