2 Background

2.1 The current Community Funding Committee’s Terms of Reference were adopted by Council following the 2016 Triennial Elections.

2.2 It has been brought to Officer’s attention that the Terms of Reference adopted in November 2016 for the Community Funding Committee referred to a policy that no longer exists. The Terms of Reference therefore need to be amended to reflect the correct name.

3 Discussion and Options considered

3.1 The Community Rating Support Policy referred to in Clauses 1 and 5 was replaced in March 2016 following a major review of this policy.

3.2 The former policy is now known as the Rates Remission for Charitable Organisations Policy.

3.3 This policy name unfortunately was not picked up at the time of the Council reviewing and adopting its new Committee Structure and Terms of References following the 2016 Triennial Elections.

3.4 A copy of the current terms of reference showing the recommended amendments is attached for the Committee’s consideration.

4 Operational Implications

4.1 There are no capital/operating expenditure implications, or maintenance costs associated with this paper.

5 Financial implications

5.1 There are no financial implications associated with this paper.

6 Statutory Requirements

6.1 The Local Government Act 2002 sets out the requirements for establishing Council’s Committees.

7 Delegations

7.1 The Community Funding Committee does not have delegated authority to adopt its Terms of Reference.

8 Consultation

8.1 There is no consultation requirements in relation to this paper.

9 Cultural Considerations

9.1 There are no cultural considerations required for this paper.
10 Conclusion

10.1 The Community Funding Committee will now need to seek Council’s approval to amend its Terms of Reference to reflect the correct name of the Rates Remission for Charitable Organisations Policy.

2  Background

2.1  SuperGrans Manawatu is a Charitable Trust which has been operating in Palmerston North, Feilding and the outlying communities since 2005.

2.2  They are a volunteer based home and life-skills mentoring service which passes on everyday skills for safe, healthy, low impact, budget living through one on one mentoring in the home and low ratio hands on workshops.

2.3  It is the above workshops that the Trust is seeking financial assistance to run in Feilding.

3  Discussion and Options considered

3.1  The everyday skill workshops include cooking/meal planning, sewing/mending and knitting/crochet.

3.2  From July 2016 to May 2017 the Trust has held in Feilding 35 sessions of four separate workshops involving 93 clients and 34 volunteers.

3.3  The Trust is requesting financial assistance for the next three years ie 2017/18, 2018/19 and 2019/20.

4  Operational Implications

4.1  There are no capital/operating expenditure implications or maintenance costs associated with this paper.

5  Financial implications

5.1  The amount of funding requested is $27,000.00 for three years. Funding assistance being sought for 2017/18 is $8,820.00.

5.2  The amount of funding available from the Community Development Fund for 2017/18 is $30,377.11.

9 Cultural Considerations
9.1 There are no cultural considerations to be taken into account for this paper.

10 Conclusion
10.1 As mentioned previously, the Trust is seeking financial assistance for the next three years. However, under the current Partnership Fund policy the Committee does not have the ability to consider funding beyond the life of the current Long Term Plan which ends 30 June 2018.

10.2 It is therefore recommended that the Committee only consider financial assistance for the one year which is from 1 July 2017 to 30 June 2018.

10.3 Representatives from SuperGrans Manawatu will be in attendance to speak further to their application.

2 Background

2.1 The Alzheimers Society (Manawatu) is organising an inaugural memory walk in Feilding on 22 September 2017. The walk will take place between 11.30 am and 1.30 pm starting from the War Memorial in the Town Square and ending at the Senior Leisure Centre in Bowen Street.

3 Discussion and Options considered

3.1 The Memory Walk is a day of memories and a way of raising awareness of dementia and services that are available locally, de-stigmatising dementia and working to create dementia friendly environments.

3.2 It has been noted that previously memory walks have been held in the main centres rather than in the regional and local areas. The Manawatu Branch of Alzheimers Society is wanting to bring the walk to Feilding for the first time.

3.3 It is anticipated that 100 to 150 people will be involved in the Feilding Memory Walk.

2 Background

2.1 Keep Feilding Beautiful has a planting proposal to beautify the area of land surrounding the current signage advertising Feilding as the most beautiful New Zealand town that is located on Waughgs Road.

3 Discussion and Options considered

3.1 Keep Feilding Beautiful is proposing similar plantings used in the Green Spine which include a mixture of hebes, coprosma, corokia, flax, grasses and kowhai.

3.2 Keep Feilding Beautiful would like to contribute financially to the 3,000+ plants needed to beautify this area and is requesting that Council match the project dollar for dollar.

4 Operational Implications

4.1 There will be ongoing maintenance costs associated with this proposal should it be approved. This is estimated to cost in the vicinity of $1,000 per annum which would drop after three to five years once the plants are fully established.

5 Financial implications

5.1 There is no specific amount being requested but the applicant has noted that the total cost of the planting proposal is $10,200.00. If Council was to agree to funding this proposal dollar for dollar with Keep Feilding Beautiful as requested, Council’s share would be $5,100.00.

5.2 Ongoing maintenance costs in the vicinity of $1,000 per annum will need to be included in the Open Spaces Contract with Recreational Services should the project proceed.

2 **Background**

2.1 The Kimbolton School is seeking a grant from Council to help with the purchasing of bikes and helmets for the school pupils to use.

2.2 This will provide the children with a wide range of positive outcomes including improved health and fitness, greater confidence as they develop their biking skills and better focus to help improve their learning.

3 **Discussion and Options considered**

3.1 The issue that is facing the school is that although they have a school bike track, the children are not able to access the track daily due to the fact that they don’t have their bikes at the school as they can’t bring the bikes on the school bus or in the cars. There are also a number of parents that are unable to afford bikes.

3.2 The Kimbolton School note that research proves that children who exercise regularly are more focussed and engaged in their learning.

3.3 By having bikes and helmets available at the school for pupils to use will enable these pupils to learn to be safe while they are biking and being aware of other people’s safety around them.

| ✓ | | | | | ✓ |

2 Background

2.1 Olivia Eddy has been eligible to register for the 10 day Voyage on the Spirit of New Zealand from 6 to 15 January 2018.

3 Discussion and Options considered

3.1 Olivia’s mother (Felicity Cato) has made the application and has noted that although Olivia has been accepted to go on the Spirit of New Zealand, this is not as a part of any selection process or as a representative. This is a personal journey which is intended to challenge and grow Olivia as a young adult.

3.2 The opportunity for Olivia to participate on the Spirit of New Zealand will hopefully see a quiet young lady improve her communication and leadership skills as well as increase her confidence in all aspects of life.

3.3 Olivia’s parents see this as an opportunity for Olivia to grow into a productive young women who can contribute more effectively to her school and the wider community.
