Event Description:

I have been selected as 1 of a group of 3 New Zealanders to represent our country at the Oceania Moto-trials Championship in Adelaide, Australia. We will go up against a team of the top 3 Australian Moto-trials riders as part of the Australian Moto-trials Championship. It will be two full days of riding that I feel privileged to be a part of.

How will your attendance at the event contribute to the Manawatu District Council vision “connected, vibrant, thriving Manawatu – the best rural lifestyle in New Zealand” and the Regional Development Strategy aim “the best place to raise a family”? (Note: visit www.mdc.govt.nz to get further information on Council’s vision and outcomes)

By attending this event, I believe it will help me grow as a person & open my eyes to the potential I have as a rider. Moto-trials is possibly the most environmentally friendley morsport. It is the perfect entry point for anyone learning to ride a motorcycle & I would love to see as many children, ladies & families riding as possible. I feel Manawatu should be it is home to a wide variety of sports & Moto-trials is already quite strong in the district, hosting a round of the North Island champs every year. I am part of the next generation of riders coming through in this sport & I believe this is a great opportunity to widen my skill set by riding in the different climes, conditions & wider competition.

To Whom It May Concern,

It is with much pleasure that I can confirm that Hannah Rushworth has been selected to represent New Zealand competing in Moto Trials at the Vine Inn Barossa 2017 Australian Trial Championship, featuring the 2017 FIM Oceania Trial Championship.

I would be honoured to recommend any help that Hannah receives for her trip to Australia and I am sure that she will make her district, family and the Moto Trials Community very proud.

Kind regards

Dear Sir/madam,

On behalf of FAHS - Feilding High School we wish to present an application towards helping us fund travel costs associated with helping our Boys’ U15 rugby 7’s team attend the National Secondary Schools 7’s Finals in Auckland from 29th November - 2nd December 2017.

Who we are:
FAHS - Feilding High School was formed in 1921 and serves the educational needs of high school students in Feilding and its surrounding rural areas. The school has a roll of 1400, and works with the mission of providing the foundation of learning for life. All students are given an education that enhances their learning, builds on their needs and respects their dignity. This education challenges them to achieve personal standards of excellence and to reach their full potential.

FAHS – Feilding High School has a reputation for offering a wide variety of sports opportunities for students with excellent facilities and high quality coaching. This has resulted in students engaging in sport and competing at a high level both locally and nationally, and developing fine leadership, teams-man-ship and self-motivational qualities.

What we want to achieve:
To send our boys’ U15 rugby 7’s team to participate in a national event that will see them compete at a high level, increase their skills and learn and grow as a team.

What we would like your partnership with:
Helping us cover costs for transport to the event which would significantly reduce parental contribution and fundraising efforts which may be a barrier to participation.
In support of this application I include the following documents:

1. Budget
2. Quote
3. Selection Documentation
4. Bank deposit slip.

Thank you very much for the opportunity to apply to the fund. We sincerely hope that you find yourselves in the position to support us.

If there are any questions regarding this application, please contact me on 06 323 4029.

Yours sincerely

Event Description:

The Condors National Secondary School 7's Finals is a high level competition attended by almost 100 schools across the country. The competition has a rich 25 year old history and was originally established 'to promote and foster the coaching of schoolboy and junior rugby in New Zealand'. Feilding High will be sending a boys U15s and U19s squad as part of this competition. This highlights the depth and strength of boys rugby in FAHS, being able to field teams in both grades, which no other Manawatu team was able to achieve.

Teams are eligible to participate in the National tournament by achieving qualification in the regional tournament, which in Manawatu is held in March. The boys were the victors of this regional competition and for the first time have qualified for the national competition.

Play is of an exceptionally high standard giving players valuable national experience where they are pitted against some of the best players in the country and given the opportunity to grow as people, as players and as a team. A tournament of this calibre also enables boys to experience travel within New Zealand, that otherwise they may not be able to achieve.

How will your attendance at the event contribute to the Manawatu District Council vision 'connected, vibrant and thriving Manawatu - the best rural lifestyle in New Zealand' and to the Regional Development Strategy aim "the best place to raise a family" (Note: visit www.mdc.govt.nz to get further information on the Council's vision and outcomes)

Feilding High-FAHS has an immense reputation for its quality of rugby for both male and female players. Giving young players the opportunity to attend events such as these on a national level gives them a forum to demonstrate the quality of play a small rural town can nurture and showcase this to the country.

We believe that through the support of community, family/whanau and school if players are given opportunities such as these, they are able to demonstrate the vibrancy of our area and lifestyle, learn from the experiences and bring back this learning to add value, connections and experience to the region. This increased richness, talent and diversity coupled that young people can absorb and benefit from coupled with opportunities to grow and challenge themselves makes Feilding an amazing place to raise a family.

Event Description:

The Condors Boys National Secondary School 7's Finals is a high level competition attended by almost 100 schools across the country. The competition has a rich 25 year old history and was originally established to promote and foster the coaching of schoolboy and junior rugby in New Zealand. Feilding High will be sending a boys U15 and U19 squad as part of this competition. This highlights the depth and strength of boys rugby in FAHS, being able to field teams in both grades, which no other Manawatu team was able to achieve.

Teams are eligible to participate in the National tournament by achieving qualification in the regional tournament, which in Manawatu is held in March. The U19 team won the regional qualifying tournament against seven local teams and now proceed to the final.

Play is of an exceptionally high standard giving players valuable national experience where they are pitted against some of the best players in the country and given the opportunity to grow as people, as players and as a team. A tournament of this calibre also enables boys to experience travel within New Zealand, that otherwise they may not be able to achieve.

The boys team has had a successful history in the event, having reached the finals three times. They are, however, yet to win the elusive title. We can but hope that this is their year.

In 2016, two U19 players were selected in the Condor National Secondary Schools Team that went on to compete in an international tournament. Following on from this Vilimoni Karori went on to represent New Zealand in the senior national 7s team and has been part of that successful team ever since.

How will your attendance at the event contribute to the Manawatu District Council vision “connected, vibrant and thriving Manawatu - the best rural lifestyle in New Zealand” and to the Regional Development Strategy aim “the best place to raise a family”? (Note: visit www.mdc.govt.nz to get further information on the Council’s vision and outcomes)

Feilding High-FAHS has an immense reputation for its quality of rugby for both male and female players. Giving young players the opportunity to attend events such as these on a national level gives them a forum to demonstrate the quality of play a small rural town can nurture and showcase this to the country. Indeed, the U19’s events are televised putting Feilding on the National rugby stage. FAHS ex students are also on the Black Ferns squad, and the Women’s World Cup featured Sarah Goss and Amy Cokayne England, making these young women ambassadors for the town.

We believe that through the support of community, family/whanau and school if players are given opportunities such as these, they are able to demonstrate the vibrancy of our area and lifestyle, learn from the experiences and bring back this learning to add value, connections and experience to the region. This increased richness, talent and diversity coupled that young people can absorb and benefit from coupled with opportunities to grow and challenge themselves makes Feilding an amazing place to raise a family.

Event Description:

The Oceania Track Cycling Championships is a premier national track cycling event. Held in rotation between Australia and New Zealand, this event will showcase the best elite and U19 (Junior) riders from Oceania. All riding to win titles and for the Juniors, selection for the Junior World Track Championships.

How will your attendance at the event contribute to the Manawatu District Council vision “connected, vibrant, thriving Manawatu – the best rural lifestyle in New Zealand” and the Regional Development Strategy aim “the best place to raise a family”? (Note: visit www.mdc.govt.nz to get further information on Council’s vision and outcomes)

The manawatu has a proud history of producing world class cyclists including riders such as Simon Van Velthoven and Jesse Sergent. Track cycling is especially strong and the summer series of track cycling at the Feilding Velodrome attracts a large number of riders each year.

My attendance at the U19 Oceania event highlights the pathway available to young cyclists in our region. The Feilding Velodrome is a great facility and Bike manawatu holds a number of events in the manawatu including the Feilding Festival of Cycling and the Novice Tour which highlights the Manawatu as a great place to raise a family.

27 September 2017  

My name is Angus Claasen and I have been selected for the New Zealand junior track cycling squad to compete in the 2018 Oceania Track Championships, to be held in Cambridge on the 20th – 23th November this year. 

The Oceania Track Championships is a premier national track cycling event. Held in rotation between Australia and New Zealand, This event will showcase the best Elite and U19 (Junior) riders from Oceania - all riding to win titles and for the juniors, selection for the World Track Championships. 

In addition to the Championships, there will also be a short build up phase for the squad inducing workshops and athlete development sessions in the days leading up to the competition. 

The cost of the competing in these events is ‘parent funded’. Cycling New Zealand will be funding some costs for this campaign (for example coach costs, vehicle costs) but each athlete will be required to fund some costs. The initial budget for this campaign will require an athlete contribution of $500 per rider and it is for this amount that I am making this application. 

Attached to this letter is an outline for my cycling achievements to date. There is also a copy of my selection letter from Cycling New Zealand. 

Thank you very much for considering this application. Should you have any questions, please do not hesitate to contact me on 0275 359 518. 

Kind regards 

Angus Claasen
Full Name: Angus Claasen  
Date of Birth: 17/05/2001 (16)  
Address: 36 Glasgow Terrace Feilding

I started track cycling in 2015 and have been riding for 2.5 years. I am the 2017 New Zealand Champion in the U17 500m Time Trial and 2nd in the Sprint (Qualified fastest in NZ - missing NZ record by 0.002 of a second). I have worked with my coach Ian Gray for 1.5 years. I am currently in Year 11, attending Palmerston North Boys High School. I also work part time at McDonalds Feilding. My greatest achievement to date has been my selection to ride for the NZ Junior Track Cycling Team at the 2018 Oceania Track Championships being held in November.

Re: 2018 Oceania Championship Selection

Dear Angus,

This letter is to congratulate you on your selection to the New Zealand squad for the 2018 Oceania Track Championships. The Championships will take place in Cambridge from 20 - 23 November 2017.

In addition to the Championships, we will be having a short build-up phase for the squad including workshops and athlete development sessions in the days leading up to competition. The details of this will be released in due course.

We will finalise the travel and accommodation arrangements with you as soon as possible and communicate this with you as soon as this is completed.

Cycling New Zealand supports you prioritising NCEA exams during this period and asks that you carefully consider your acceptance to the team so as not to compromise your education. Where you are able to make alternative exam arrangements, we will support you in that. We have attached the Oceania Championship programme to assist you in making that decision.

Please confirm your selection by completing the following items. If you have completed these documents during 2016 for other campaigns you will not need to duplicate them.

- Acknowledgement of receipt of this letter and that you understand the conditions of this event
- The Cycling New Zealand Rider Information Sheet (enclosed)
- The Cycling New Zealand Rider Medical/Physio Information Sheet (enclosed)
- The Cycling New Zealand Rider Athlete Agreement – to be distributed later

Please email these to bryan.simmonds@cyclingnewzealand.nz by Wednesday 20 September 2017:

Once you have confirmed your selection we will send you our consent and policy forms for riders, parents and personal coaches to be read, signed and returned as part of your selection, unless these have been previously completed.

Please contact me if you have any further questions. Congratulations! We look forward to working with you on this campaign.
Please contact me if you have any further questions.

Kind regards
