Government, Sport, Funding, Education and Health Services in the Manawatu and Whanganui Regions

Building Collaboration and Leadership

Working together to facilitate alignment and collaboration between all sports facility stakeholders.

Guiding Investment

The Regional Sport Facility Plan is utilised alongside additional market information to ensure the Manawatu and Whanganui regions spend money wisely on sport and recreation facilities.

Enabling

Working together to facilitate alignment and collaboration between all sports facility stakeholders.

Council Benefits

The intention of the plan is to guide the ongoing assessment of facility needs and priorities for the region. Key points:

- A decision-making framework
- Does not commit the council to funding
- Provides for on-going implementation

The benefits of the MW Regional Sports Facilities Plan to our respective Councils are:

- Support for feasibility assessments and business cases;
- Advocacy to funders and investors;
- Sharing of knowledge and improving information that inform investment decisions;
- A review of the approach and project priorities to ensure it remains relevant and in line with sporting and demographic trends
- Oversight and access to Sport NZ planning tools and information

Implementation Plan - MOU

- Funding and Resourcing - MDC contribution \$6,658.
- Sport NZ and Sport Manawatu Support.
- Provision of Service.
- Identification of potential sub-regional and regional projects – priority actions.
- Awareness and understanding will generate momentum.
