[1] I have considered the memoranda lodged on 16 February 2018. The consent order requested by the parties has issued today. The parties have asked for directions to resolve the remaining matters in these appeals concerning ONFL provisions of the District Plan.

- The Council is directed to file reporting memoranda with a status update on the appeals at the close of submissions on Plan Change X and again on receipt of Council's decision, but regardless, no later than 30 November 2018.
