

Notify us of your Licensed Building Practitioner (LBP)

For restricted building work (RBW) on your building project

Purpose of this form

Use this form to notify Council of Licensed Building Practitioners (LBPs) who will be involved in carrying out or supervising restricted building work (RBW) on your building project. You can submit details of up to six LBPs on this form.

Before you start

It may take up to two working days to load the LBP information on your building consent file after you submit the notification. You do not need to notify Council about plumbers, gas fitters or drainlayers on this form; provide those details when booking the relevant inspection.

Your privacy

Council will use the information you provide for the purpose of your intended interaction with Council and may use it for training purposes. See Council's privacy policy for more information.
