### **Reason for Objection**

An objection may only be made on the grounds specified in section 199D of the Local Governement Act. Please tick the applicable ground for your objection:

The Council failed to properly take into account features of the objector's development that, on their own or cumulatively with those of other developments, would substantially reduce the impact of the development on requirements for community facilities in the Council's district or parts of district.
The Council required a development contribution for community facilities not required by, or related to, the objector's development, whether on its own or cumulatively with other developments.
The Council required a development contribution in breach of section 200 of the Local Governemnt Act.
The Council incorrectly applied is development contribution policy to the objector's development.

# Circumstances surrounding the ground(s) for the objection

Please provide information on how your development contributions assessment matches the grounds relied on above. Include all relevant information relating to the requirement and attach to this request where necessary. The council is unable to consider your objection until all relevant information is received.
