Multi Dog Permit Requirements

Council requires 15 working days to process this application.

Any person intending to keep more dogs specified in clauses 9.1 to 9.4 of the Dog Control Bylaw 2019 must apply to council for a multi-dog permit.

The application will be assessed against the criteria in clause 11.3 of the dog control bylaw 2019.

The holder of a Multi-dog permit must comply with the terms and conditions imposed under the permit.

In some instances, the Manawatu District Plan requires a resource consent for the keeping of dogs, and/or the structures housing dogs. Prior to applying for Multi Dog please contact Councils Planning Team to discuss whether this applies to you, your dogs and property.

If approved this application only applies to the dogs listed on this form. Any changes to this application, (i.e. new address, change in dog breed or increase of dog numbers) will require a new form to be submitted to council with the appropriate fee.

A Multi-dog permit issued under clause 11.1 will be revoked if –

- a) The holder of a multi-dog permit fails to register their dogs by 1 August in any registration year;
- b) The holder of a multi-dog permit fails to comply with any terms and conditions imposed under clause 11.6
- c) The holder of a multi-dog permit fails to apply for a new multi-dog permit if there is a change in their information, in accordance with clause 11.9; or
- d) There are verified complaints relating to dogs that are subject to the multi-dog permit.

Selected Owner Status Requirements

Council rewards Owners who provide better care for and control of their dogs by identifying responsible dog Owners as “Selected Owners”. Accordingly, these dog owners should be less burdened with the cost of providing the service. Council has reduced the registration fee for these owners once a “Selected Owner” status has been approved.

Note: Applications received after 1 May will not come into effect until the following year

If approved this application only applies to the dogs listed on this form. Any changes to this application, (i.e. new address, change in dog breed or increase of dog numbers) will require a new form to be submitted to council with the appropriate fee.

Selected Owner Status issued under clause 18.7 will be revoked by council if –

- a) The selected owner fails to register their dogs by 1 August in any registration year;
- b) The selected owner fails to comply with clause 18.6 or any other requirements of the Bylaw or Act; or
- c) There are any justified complaints relating to the dog(s) on the premises.

Note: If selected ownership is revoked, there is a mandatory 12 month stand down period before a new selected owner application can be lodged.

Note: Receipt of this application does not guarantee that either status will be granted. Approved applicants who have not registered their dog/s by 1 August in any registration year, or have on-going complaints may have their approval revoked.
