This policy is to provide relief from 'district wide uniform rates' for non-contiguous rating units that are farmed as a single farming operation.

Note – the rate payer must pay one 'district wide uniform rate' for the combined rating units and one for each additional dwelling.

A 'district wide uniform rate' refers to the Uniform Annual General Charge (UAGC) and targeted rates for the Makino Aquatic Centre and Library, and the Rooding uniform targeted rate and the Parks, Reserves and Sportsgrounds uniform targeted rate.

Applications must be received before the end of the first quarter of the rating year. Applications received after this will have the remission applied to the next rating year. Applications will not be applied retrospectively.

As the **owners**, we confirm that the rating units listed below are operated as a single farming unit.
